## LETTER TO SUPPORTERS

# Public Consultation on the Proposed Foreign Influence Transparency and Accountability Regulations

Canadians United Against Modern Exclusion

Dear CUAME Supporters,

We would like to bring to your attention an important public consultation currently underway by the Government of Canada.

Proposed regulations for the Foreign Influence Transparency and Accountability Act have been published in the Canada Gazette, Part I and are now open for a 30-day public comment period. These regulations relate to the implementation of the Foreign Influence Transparency Commissioner's Office and may have implications for civic participation, community organizations, advocacy groups, and individuals engaged in public discourse.

This consultation presents an opportunity for Canadians to review the proposed regulations and provide feedback, particularly where clarity, proportionality, procedural fairness, or practical implementation may be of concern.

CUAME is concerned about potential discrimination and stigmatization due to an overly broad definition of foreign influence and will be making a submission.

## **How to participate**

---

- The full text of the proposed regulations is available on the Canada Gazette website: Canada Gazette, Part I, Volume 160, Number 1: Foreign Influence Transparency and Accountability Regulations - Public comments can be submitted directly through the Canada Gazette consultation process during the open

period.

According to Public Safety Canada, all submissions received during the consultation period will be reviewed by the Transition Team supporting the Foreign Influence Transparency Commissioner's Office, and feedback may inform amendments to the final regulations.

We encourage you to make a submission but participation is voluntary. If you are interested in CUAME's submission, we will be pleased to send you a copy when it is ready. Please also feel free to reach out to us if you would like to share your thoughts on the proposed regulations or have any questions about them.

If you have questions about the consultation process itself, Public Safety Canada has provided the following contact: [fipublicconsultations-consultationspubliqueei@ps-sp.gc.ca](mailto:fipublicconsultations-consultationspubliqueei@ps-sp.gc.ca)

Sincerely,

Canadians United Against Modern Exclusion (CUAME)
